

The Tracking Times

Please remember to take advantage of:

The Easy Fleet GPS Referral Program, where you can earn FREE service and a \$50 Visa Gift Card!

and

Don't forget about the \$20 credit for leaving us a Google review.

Thank you for being such loyal customers!

July Special - FREE GPS vehicle tracking units through July 31, 2020! That's right, FREE! The only cost would be the \$45 installation fee on our 3-wired unit. So, if you need to add additional lines of service, now is the time to contact us at sales@easyfleetgps.com or call us at 949-390-4837. Heavy equipment/trailer units are reduced by 50%.

Easy Fleet GPS is very proud of our partnership with Grandma's House of Hope.

The Easy Fleet GPS family is so honored and proud of our sponsorship with Grandma's House of Hope and their Nana's Kidz Program.

Easy Fleet GPS will make a \$25 donation to Nana's Kidz every time you add a new GPS service to your account.

So, if you have purchased a new truck, have heavy equipment or trailers, or have additional vehicles that would benefit from GPS tracking, please contact us.

The Nana's Kidz Program provides meals to underprivileged children living in motels and low-income housing throughout Orange County.

Prior to Covid-19, the Nana's Kidz Program provided 10,000 meals monthly to these hungry children. Now they are serving 40,000 meals a month. **Please help us meet this growing need.**

Grandma's House of Hope is a 501(c)(3) nonprofit organization committed to improving the quality of life for Orange County's most vulnerable, underserved, socio-economically disadvantaged community by providing housing, food, and trauma-informed supportive services.

Please contact us with any questions.

Easy Fleet is proud to give thanks to the Healthcare Heroes at Mission Hospital.

We are very proud to have shown our gratitude to all of the healthcare heroes at Mission Hospital for their amazing service, commitment, and compassion to saving lives during the Covid-19 crisis.

Easy Fleet GPS was able to sponsor a catered lunch and desert for all of the healthcare heroes at Mission Hospital. These incredible men and women have made so many sacrifices over the past five months.

Thank you for approaching every day with a compassionate love and commitment to saving lives.

Did you know you can automate your regular scheduled vehicle maintenance and save \$\$\$'s?

Vehicle maintenance costs can be overwhelming for companies and fleet managers.

The Easy Fleet GPS solution provides the ability to automate your regularly scheduled maintenance reminders from oil changes, air filter, tire rotations, safety checks, and anything else that is measured by miles, time, or engine hours.

The tools, reports, and notifications available through Easy Fleet GPS will allow you stay ahead of the maintenance of your fleet and ensure your vehicles are healthy and well-maintained to avoid breakdowns and downtime.

All of these factors will have a positive impact on your vehicle maintenance costs, wear and tear on your vehicles, and will extend the life of your fleet.

4G LTE 3-Wire Installed Unit

Easy-700-3W 4G LTE unit

The easy-700-3W is our most advanced fleet tracking device, powered by 4G LTE technology that requires a very simple 3 wire installation (power, ground, ignition).

It is built with advanced components and the technology needed to capture, store, and transmit the high volumes of data required for continuous and reliable fleet tracking.
