

The Tracking Times

Easy Fleet GPS is excited to introduce FieldPulse workforce management.

FieldPulse is the most user-friendly job management software designed for small to medium sized service-based businesses.

FieldPulse will help you with job scheduling, creating quotes and invoices, dispatching, purchase orders, and much more.

Easy Fleet GPS customers will receive a 10% discount off of the FieldPulse monthly service.

Easy Fleet GPS launches Safety Dash Camera with Artificial Intelligence.

Safety, Safety, Safety. Easy Fleet GPS just made it easier to ensure that your drivers are driving in a safe manner. This can protect you from false claims against your drivers.

Our forward/driver-facing Safety DashCam will detect hard breaking events, hard accelerating events, and detect if a driver is distracted.

Now you will be able to determine if your driver was cut-off, or if they were at fault.

Protect your Heavy Equipment.

One of the biggest costs to a company is the theft and

replacement of assets and equipment. Our Easy Fleet GPS Equipment and Asset Management solution will significantly eliminate this risk.

Whether you have yellow heavy equipment on a construction site, combine farm equipment, generators, trailers, or any valuable equipment, we offer an asset management solution to fit your needs.

With the ability to set up unlimited landmark boundaries, you will be notified if a piece of equipment leaves a job site or company yard.

Does reckless driving hurt your company's reputation? Yes!

Running a business takes energy, time, and money. You invest in a building or office space. You invest in quality products and services. You try to hire the best and most qualified people. You build your brand and reputation off of the quality and reliability of your service. You take pride in the high level of customer focus and integrity you provide. You take pride in your work trucks and the beautiful wrapping that highlights your company.

As a business owner, you take pride in what you built. It is very difficult to control what your employees do when you are not with them. Our GPS fleet tracking solution gives you visibility to your employees' driving behavior and your trucks.
