Easy Fleet GPS helps Reduce Overtime Costs

Payroll costs are one of the highest costs for a company. Yet without employees, a company will not be productive.

The challenge for most companies is how to balance and manage payroll costs, overtime costs, and ensure their employees are actually working, especially when an employee works in the field.

Keep your fleet moving. Let Easy Fleet GPS help reduce your fuel costs and overall vehicle maintenance costs.

Fuel costs and vehicle maintenance costs are two of the largest expenses for companies with a fleet.

Whether your company has a fleet of cars, light duty to heavy-duty trucks, or a combination of all, vehicle maintenance and fuel costs continue to have a negative impact on a company's profit.

Easy Fleet GPS provides the tools that will allow you to manage, and more importantly reduce your fuel cost,

maintenance cost, and overall wear & tear on your vehicles.

Protect your heavy equipment and assets.

One of the biggest costs to a company is the theft and replacement of assets and equipment.

Our Easy Fleet GPS Equipment and Asset Management solution will significantly eliminate this risk.

Whether you have yellow heavy equipment on a construction site, combine farm equipment, generators, trailers, or any valuable equipment, we offer an asset management solution to fit your needs. With the ability to set up unlimited landmark boundaries you will be notified if a piece of equipment leaves a job site or company yard.
