

The Tracking Times

Enjoy the drive.

Let Easy Fleet GPS take the work out of managing your fleet, so you can enjoy the drive.

Through our real-time tracking, our real-time immediate alerts, our automated reports, and our mobile app you can go about your day and not feel tied to a computer.

Business owners and fleet managers that use the Easy Fleet GPS solutions have peace of mind that they are doing everything possible to develop a safe and responsible fleet of drivers, keep a safe and well-maintained fleet of vehicles, and are doing everything possible to improve the company's bottom line, reduce costs and increase profitability.

Easy Fleet GPS helps reduce payroll and overtime costs.

Payroll costs are one of the highest costs for a company. Yet without employees, a company will not be productive.

The challenge for most companies is how to balance and manage payroll costs, overtime costs, and ensure their employees are actually working, especially when an employee works in the field.

Protect your heavy equipment.

One of the biggest costs to a company is the

theft and replacement of assets and equipment. Our Easy Fleet GPS Equipment and Asset Management solution will significantly eliminate this risk.

Whether you have yellow heavy equipment on a construction site, combine farm equipment, generators, trailers, or any valuable equipment, we offer an asset management solution to fit your needs.

With the ability to set up unlimited landmark boundaries you will be notified if a piece of equipment leaves a job site or company yard.
