Do I need a GPS Fleet Management system? YES!

The investment in a GPS fleet management solution has several benefits, whether you have 2 or 200+ trucks.

By using Easy Fleet GPS, our customers experience savings in their monthly

fuel costs, vehicle maintenance costs, insurance costs, and payroll/overtime costs. Additionally, they realize an increase in productivity, profitability, and customer satisfaction, while developing a safer and more responsible fleet of drivers which leads to a reduction in accidents and tickets.

Easy Fleet GPS is a family-owned business based in Foothill Ranch with a national footprint. We are a BBB accredited company and proud members of the Rancho Santa Margarita Chamber of Commerce, Mission Viejo Chamber of Commerce, and Lake Forest Chamber of Commerce. We are a proud sponsor of the Orange County Soccer Club, Orange County's professional soccer team.

We take great pride in being a local company that provides the highest level of customer focus, the highest quality products and services, and one of the most advanced and feature-rich GPS Fleet Management solutions.

How safe is your fleet?

Easy Fleet GPS gives you the ability to proactively prevent accidents, reduce speeding violations, and help lower your commercial auto insurance costs.

Easy Fleet GPS offers a suite of driver safety solutions. The Easy Fleet GPS Safety Camera with Artificial Intelligence provides real-time video and notifications of safety violations, reckless driving, and distracted driving. You can also receive immediate notifications of speeding events, harsh cornering, harsh braking, and harsh
