Easy Fleet GPS implements a new report that will help you build a safer and more responsible fleet.

The Easy Fleet GPS team is excited and proud to announce that our Driver Score Report is now available!

From the report tab select **Driver Score Report** and either select **Get Report Now** or **Get Printable Report**. You have the ability to select the date range. This report can be automated to run daily, weekly, or monthly.

Now you have the ability to score your drivers based on their driving behavior. As a business owner, you can recognize and reward the safe and responsible drivers while providing coaching to the drivers who may not be driving as responsible as others.

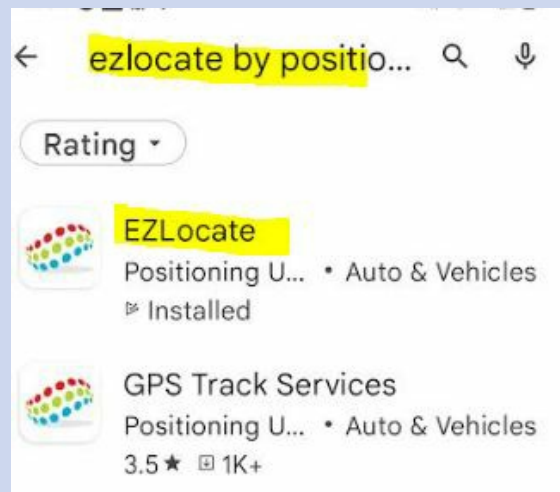

Have access to your fleet from your cell phone.

Easy Fleet GPS offers a Mobile App for both iOS and Android.

From the Apple or Google store on your cell phone search for **ezlocate by Positioning Universal**. Download the app and use your regular login and password.

Now you will have full access to your fleet via our mobile app.

Please contact us with any questions or if you need assistance downloading the mobile app.

Easy Fleet GPS can help lower payroll and overtime costs.

Payroll costs are one of the highest costs for a company. Yet without employees, a company will not be productive. The challenge for most companies is how to balance and manage payroll costs, overtime costs, and ensure their employees are actually working, especially when an employee works in the field.

Easy Fleet GPS offers tracking solutions for your heavy equipment, trailers, and assets.

Easy Fleet GPS also offers tracking solutions for your assets, trailers, and equipment. It is equally important to track your assets and equipment as it is to track your vehicles.

You receive the same benefits of vehicle tracking with real-time data showing where your assets are located at any time.

You can also track its use which helps you determine if you have any specific asset that is being underutilized.
