

# The Tracking Times

---

**Easy Fleet GPS and WatchCard fuel card can help lower your fuel cost by 20-25%.**

As gas pricing continue to rise, Easy Fleet GPS provides the tools and solutions to help lower your monthly fuel costs by 20-25%.

WatchCard Fleet Fuel Cards allow you the convenience and flexibility to fuel anywhere in the U.S. with the control and security to monitor and limit fuel and non-fuel purchases, identify suspicious activity, and access fuel data about your fleet.

This integrated solution will even tell you if a fuel transaction occurred without one of your vehicles being present or if the quantity of fuel purchased exceeds the fuel capacity of the vehicle being filled.

**Easy Fleet GPS implements a new report that will help you build a safer and more responsible fleet.**

**The Easy Fleet GPS team is excited and proud to announce that our Driver Score Report is now available!**

**From the report tab select Driver Score Report and either select Get Report Now or Get Printable Report. You have the ability to select the date range. This report can be automated to run daily, weekly, or monthly.**

**Now you have the ability to score**

your drivers based on their driving behavior. As a business owner, you can recognize and reward safe and responsible drivers while providing coaching to drivers who may not be driving as responsibly as others.

## Easy Fleet GPS partners with ehs International to keep your employees safe!

ehs International, Inc (ehsInc) has been at the forefront of environmental and occupational health and safety since 1997. Our mission is to provide our customers, and their employees with a safe, sustainable, and productive environment. We help our customers reduce costs and risks through better technology, seasoned staff, and tested processes.

ehsInc provides a single source for our client's environmental, health, and safety compliance and training needs. We deliver the following services:

- Develop Health & Safety Programs
- Manage Compliance & Reporting
- EHS Compliance Across All Operations
- Develop & Conduct Site-Specific Training
- Provide Outsourced EHS Support
- Construction Site Inspection & Support
- Assessment of Current Safety Programs
- Subcontractor Site Safety Orientations
- Job Site/Facility Hazard Assessments
- Safety Program Record-keeping

The National Highway Traffic Safety Administration estimates that 42,915 people died in motor vehicle traffic crashes in 2021, a 10.5% increase from the 38,824 fatalities in 2020.

Enough is enough! Let's work together to lower these statistics. Get the best fleet management tracking software around through Easy Fleet GPS

while receiving the best employee defensive driving training with ehsInc.

Together we will help lower your insurance premiums and ex-mods. It's truly a win-win.

When it comes to elite fleet management, ehsInc and Easy Fleet GPS have you covered!

**Easy Fleet GPS offers tracking solutions for your heavy equipment, trailers, and assets.**

Easy Fleet GPS also offers tracking solutions for your assets, trailers, and equipment. It is equally important to track your assets and equipment as it is to track your vehicles.

You receive the same benefits of vehicle tracking with real-time data showing where your assets are located at any time.

You can also track its use which helps you determine if you have any specific asset that is being underutilized.
