

The Tracking Times

Easy Fleet GPS and Rancho Santa Margarita Chamber of Commerce.

At Easy Fleet GPS we believe it is important to be embedded in the community. We are celebrating our fourth year as proud members of the Rancho Santa Margarita Chamber of Commerce.

Through our relationship with the RSMCC, we have been able to participate in a number of charity and community events.

Our solutions will help you reduce the cost of managing your vehicles, increase your productivity, increase your profitability, and help you build a more efficient, safer, and more responsible fleet.

Easy Fleet GPS helps reduce payroll and overtime costs.

Payroll costs are one of the highest costs for a company. Yet without employees, a company will not be productive.

The challenge for most companies is

how to balance and manage payroll costs, overtime costs, and ensure their employees are actually working, especially when an employee works in the field.

Protect your heavy equipment.

One of the biggest costs to a company is the theft and replacement of assets and equipment. Our Easy Fleet GPS Equipment and Asset Management solution will significantly eliminate this risk.

Whether you have yellow heavy equipment on a construction site, combine farm equipment, generators, trailers, or any valuable equipment, we offer an asset management solution to fit your needs.

With the ability to set up unlimited landmark boundaries you will be notified if a piece of equipment leaves a job site or company yard.

Prevent downtime and breakdowns.

Do you know the cost to your business when a vehicle breaks down?

What is the lost business?

Easy Fleet GPS provides several features that will help you to prevent and reduce breakdowns and downtime.
