Easy Fleet GPS is excited and proud of our partnership with South County Outreach to help feed families in need.

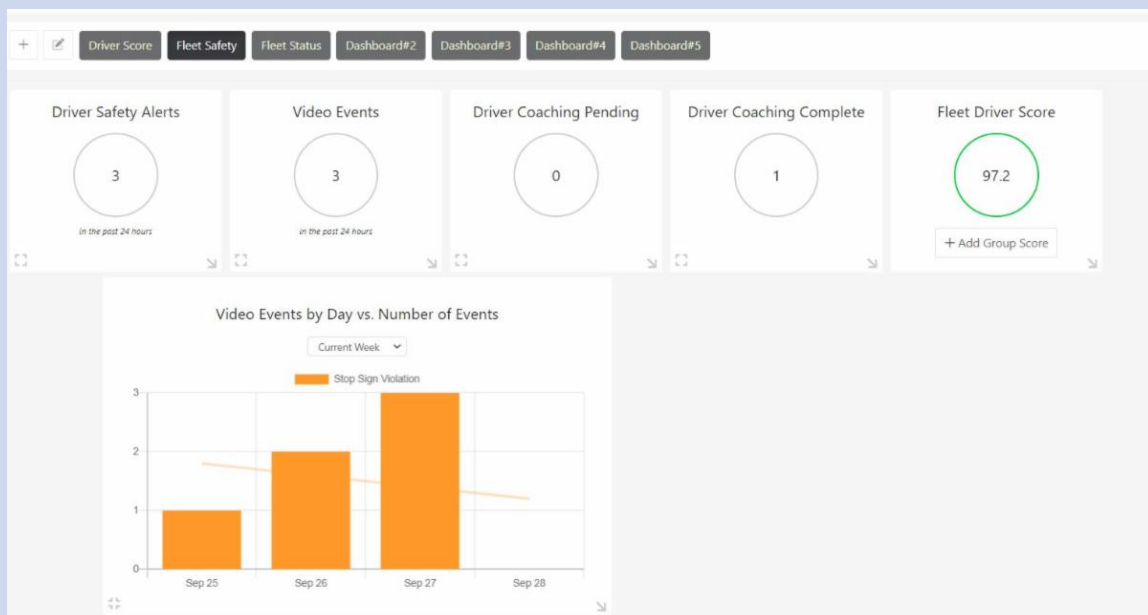

We will make a donation to South County Outreach every time a customer signs up for service with Easy Fleet GPS!

Since we started in August we have donated over \$600 and 900 lbs of food.

Also, look out for our food drive days coming soon!

We believe it is so important to give back to our community and help families that are struggling and that are in need of food.
